ABOUT **PREM SINGH**

Prem Singh is a startup mentor and investor document strategist with years of experience helping founders turn ideas into fundable ventures.

At NeuSource Startup Minds India Limited, he has guided hundreds of startups in building impactful pitch decks, financial models, and business plans that attract investor confidence.

He bridges the gap between startup vision and investor expectation by combining clarity, structure, and storytelling — ensuring every founder can communicate their business potential effectively.

WHAT I DO

- Pitch Deck & Investor Documents – I help founders design powerful investor presentations that tell their story with clarity and impact.
- Fundraising & Valuation Strategy – I guide startups on structuring fundraising rounds, understanding valuation, and preparing for investor meetings.
- Equity Structuring & Due Diligence – I assist in equity restructuring, compliance checks, and due diligence support to make startups investor-ready.
- Financial Modeling & Metrics – I create financial models and help identify key performance indicators that demonstrate scalability and growth.
- Leadership & Team Building – I advise founders in identifying leadership needs and hiring key talent for sustainable business growth.

SUCCESS STORIES

- Helped Dreamlanes Innovation Pvt. Ltd. restructure their equity, refine their pitch, and secure investor interest.
 - Mentored Insculp Technologies & Management Services Pvt. Ltd. in developing investor documents and achieving funding milestones.
 - Guided multiple early-stage startups in building strong leadership teams and preparing for due diligence processes
- many more.....

WHY WORK WITH ME

I believe every startup has a story worth funding — it just needs the right structure, numbers, and narrative.

Through hands-on mentorship, I ensure founders are fully prepared to face investors with confidence, clarity, and credibility.
