SAFIR

GROW TOGETHER

ABOUT US

SAFIR Divergente Intertrades Private Limited is a growth-focused company operating in the Direct Selling sector, with a vision to Create a Structured Platform That Connects quality products, consumers, and business opportunities through a scalable distribution Network.

Our Focus

01. Product Brief

Wellness Products: Spirulina, Moringa & Sea Buckthorn — focused on quality nutrition and consumer wellness.

02. Employment Brief

Creating Opportunities: SAFIR aims to address unemployment through a scalable Direct Selling business model.

03. Volunteer & Employment Support

Empowering People: Building a strong volunteer network with potential income opportunities of ₹2 Lakh to ₹20 Crore, subject to performance and business results.

04. Social Donation Support

Social Impact: Targeting a ₹12,000+ Crore Social Donation Fund to support helpless and underprivileged communities.

05. Supporters & Investment Participation

Growth Partnership: Creating opportunities for eligible supporters and investors, with projected potential of ₹20 Crore to ₹200+ Crore, subject to business performance, terms and applicable laws.

06. Government Revenue Contribution

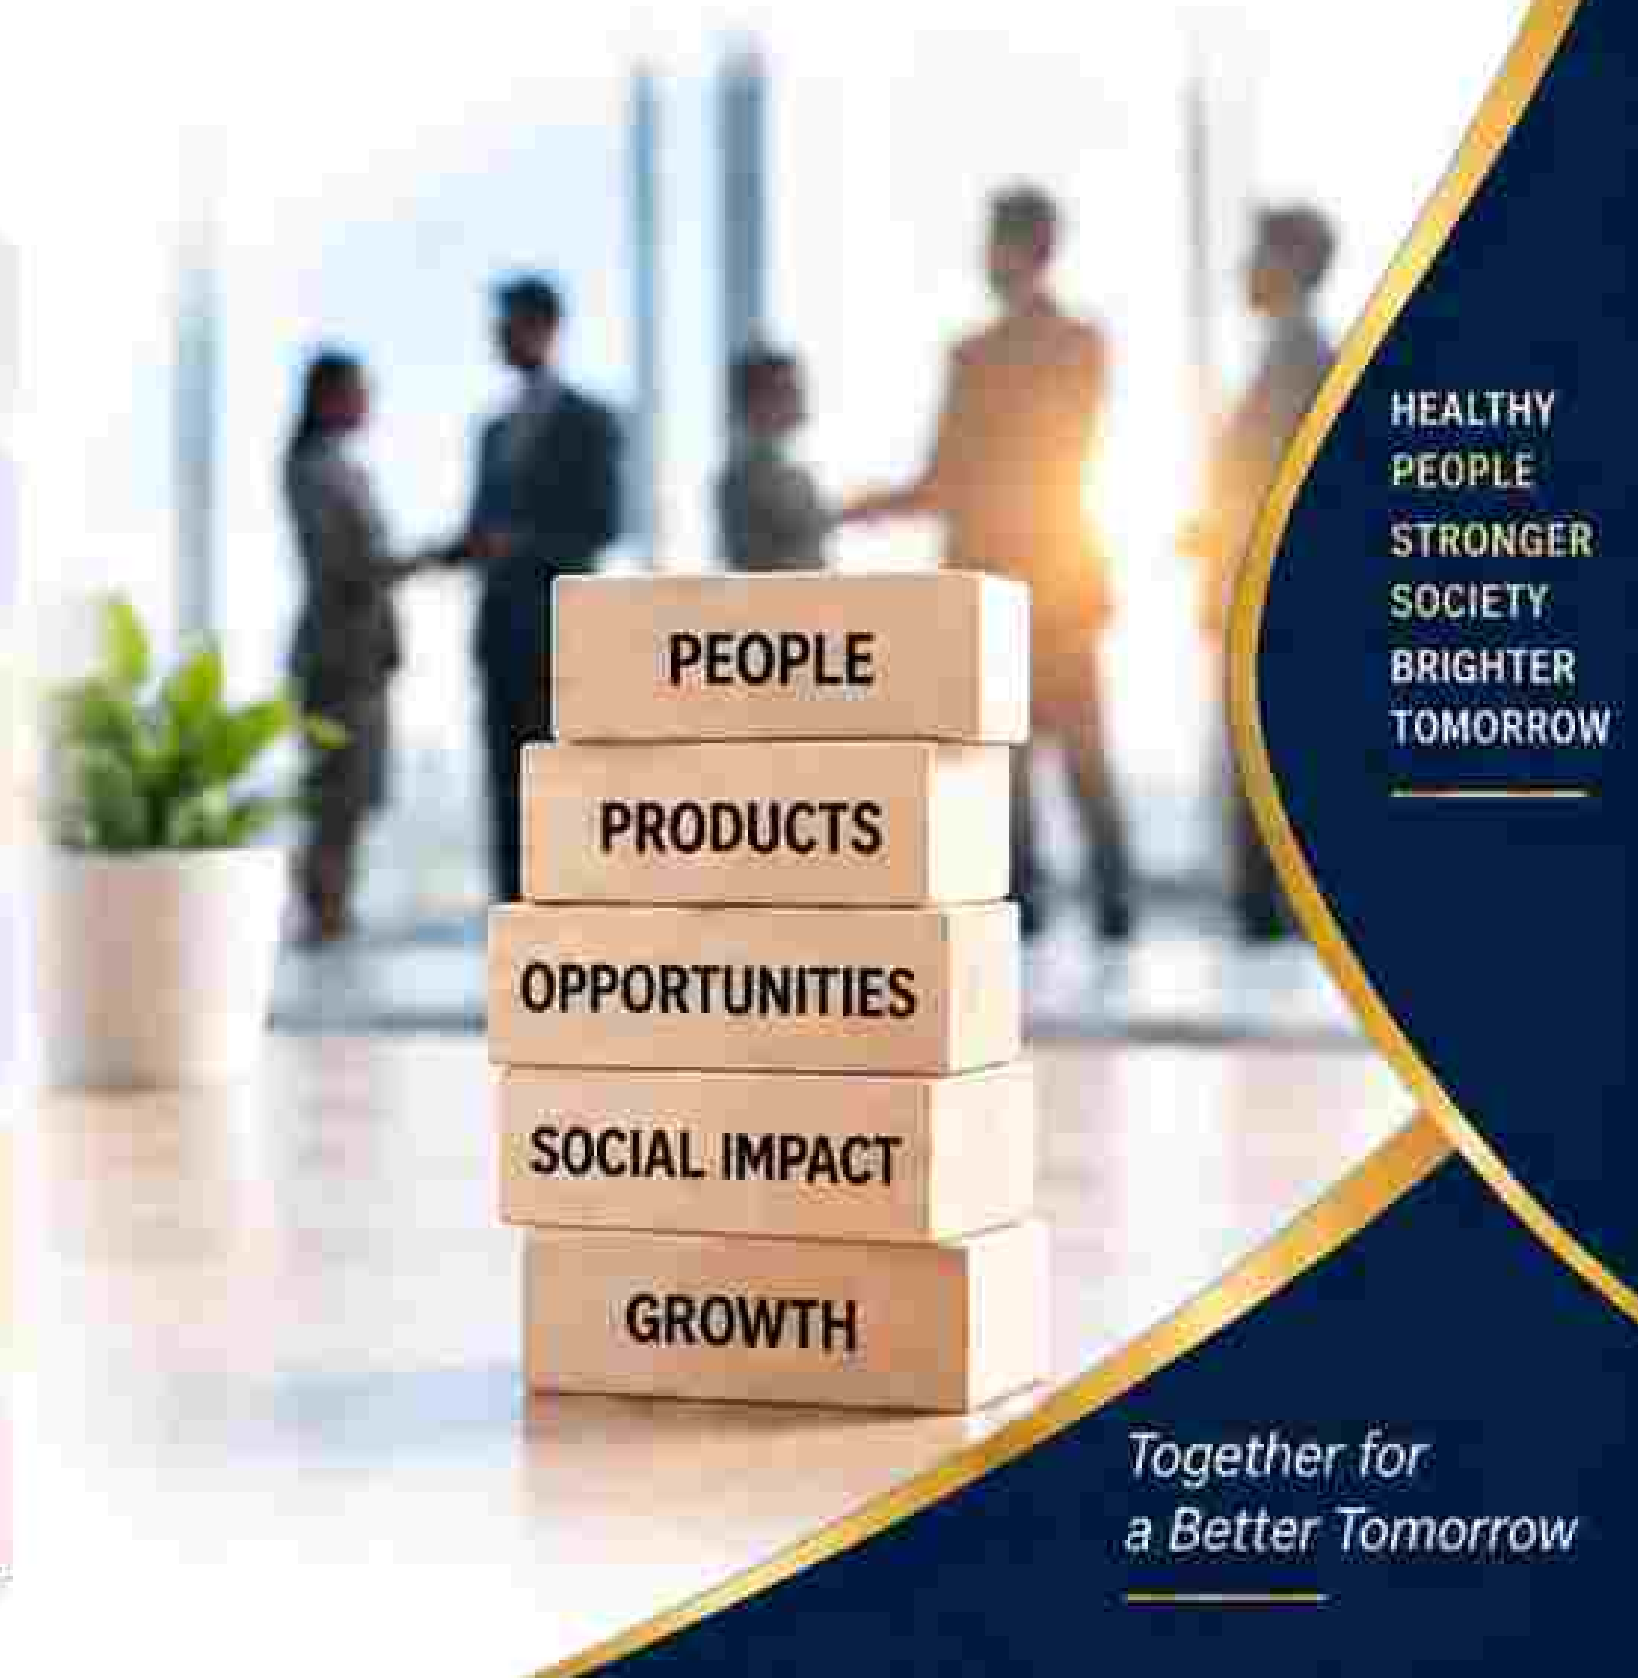

GST Generation: Direct contribution through tax collection on all product sales and services.
TDS Compliance: Systematic deduction and deposit of TDS on service payments and team compensation.
