## What We Are?

One platform. Tech-led growth verticals. Built for India's digital economy.

One Platform. Academy trains → Consultancy deploys → Both compound

## Problem

India loses 10L graduates every year → but less than 20% employ-ready

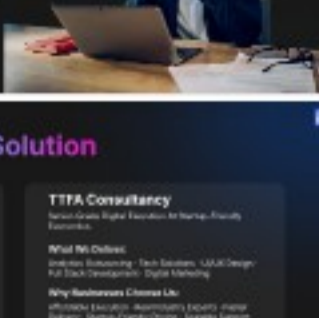

Millennials miss degrees, lack practical skills, frequent rejections, and a disappointing future

- Colleges teach outdated curriculum with little industry exposure
- Entrepreneurship and startups attract misconception and uncertainty
- Digital pathways have too complexities and aren't being built
- Jobless stress affects, but also want stability
- Unfulfilled struggles to find visibility and opportunities

1.5M+ graduate students every year

<20% employ-ready graduates

85% Millennials miss degrees
