# About Our Company

SKB Electrical is a government-licensed Electrical Engineering & Infrastructure Company specializing in the design, installation, testing, commissioning, and maintenance of electrical systems for healthcare, commercial, industrial, educational, hospitality, and government infrastructure projects.

With over **15 years** of industry experience and a proven track record of delivering large-scale electrical infrastructure projects, we provide end-to-end solutions covering HT/LT systems, substations, internal and external electrification, ELV systems, fire safety solutions, networking infrastructure, CCTV systems, solar installations, and regulatory compliance services.

Our commitment to technical excellence, safety, quality, and timely execution has established SKB Electrical as a trusted partner for complex infrastructure developments across multiple sectors.

# Our Vision.

SKB Electrical envisions a future where world-class electrical infrastructure powers safer, smarter, and more efficient facilities across India. Our goal is to evolve into a nationally recognized engineering and infrastructure partner known for technical excellence, quality execution, and long-term client relationships.

## Strategic Focus Areas

- Healthcare Infrastructure
- Commercial Developments
- Industrial Facilities
- Power Distribution & Substations
- Renewable Energy Solutions
- Government Infrastructure Projects.

To become one of India's most trusted Electrical Engineering & Infrastructure Companies, delivering innovative, reliable, and sustainable power solutions that support the nation's growing healthcare, commercial, industrial, educational, and government infrastructure sectors.

To deliver reliable, safe, and high-quality electrical engineering solutions that enable infrastructure growth across healthcare, commercial, industrial, educational, hospitality, and government sectors.

Delivering dependable electrical infrastructure through engineering excellence, safety, quality, and innovation.

We provide end-to-end electrical engineering services with a strong focus on technical excellence, regulatory compliance, safety, and timely execution. Through innovative engineering practices and customer-centric delivery, we build long-term partnerships while creating sustainable value for clients and stakeholders.

#### CORE PRINCIPLES

- Safety First
- Quality Execution
- Regulatory Compliance
- On-Time Delivery

# Our Mission

# Our Services

## End-to-End Infrastructure Services

Turnkey electrical engineering and infrastructure solutions designed to support complex commercial, healthcare, industrial, educational, hospitality, and government projects with reliability, safety, and efficiency.

## Specialized Technical Expertise

Proven capabilities across HT/LT infrastructure, substations, electrification, ELV systems, fire safety integration, networking infrastructure, solar power solutions, testing, commissioning, and long-term maintenance services.

## KEY SERVICE AREAS

- Electrical Planning & Installation
- HT/LT Infrastructure
- Substation Installation
- ELV Systems
- Fire Alarm Systems

# Our Portfolio

SKB Electrical has executed diverse electrical infrastructure projects across healthcare, hospitality, commercial, educational, and power sectors. Our portfolio includes hospitals, medical colleges, hotels, shopping malls, institutional campuses, and substation infrastructure, demonstrating our capability to deliver reliable, scalable, and compliant engineering solutions for complex projects.

## Key Projects

- Tezpur Mental Hospital
- Woodland WK Hospital, Meghalaya
- DR DAS Multispeciality Hospital
- Neelkanth Super Speciality Hospital
- PA Sangma International Medical College & Hospital
- Vivanta by Taj Hotel Guwahati
- City Center Mall Guwahati
- IIM Shillong
- 500 KVA Substation Project, Guwahati

# Our Team

**Suraj Kumar Bhuyan**

Founder & Proprietor

**Imtiyaz Hussain**

Co Founder and Project Engineer

**Saurabh Hazarika**
