ABOUT US

FixOtto is India's first doorstep car service platform designed to make car maintenance simple, fast, and stress-free.

We understand how difficult it is to take out time in a busy day just to visit a garage. That's why FixOtto brings professional car servicing right to your desired location – home, office, gym, or anywhere you prefer.

With trained mechanics, original OEM parts, and complete transparency, we ensure your car gets expert care without wasting your time.
