

# Black Standing Floor Mirror

Best Seller

An Arched full-length Floor Mirror designed with a freestanding support stand. It features a sleek, elongated rectangular body that smoothly transitions into a curved, semi-circular top arch, all encased in a slim matte black metal frame that tilts back elegantly using its integrated U-shaped folding easel bracket.

**Materials:** Premium aluminum alloy frame, shatterproof HD glass mirror, multi-layered protective backing.

**Design:** Arch-top capsule silhouette, low-profile minimalist border, adjustable standing easel floor support.

**Craftsmanship:** Precision anti-rust powder coating, seamless curved frame bending, heavy-duty metal hinge connectors.

**Aesthetic:** Modern industrial, minimalist Scandinavian, contemporary chic, spacious focal point decor.

# Gold Standing Floor Mirror

An Arched full-length Floor Mirror featuring a freestanding easel stand. It showcases an elongated capsule-style body with a rounded semi-circular arch top, encased in a slim, elegant brushed gold metal frame that tilts stably backward on its attached U-shaped folding bracket.

**Materials:** Aviation-grade aluminum alloy frame, shatterproof explosion-proof HD glass, moisture-resistant backing.

**Design:** Arch-top silhouette, ultra-thin minimalist profile, retractable floor easel stand.

**Craftsmanship:** Anodized brushed gold finish, seamless perimeter frame joint, heavy-duty locking hinge hardware.

**Aesthetic:** Contemporary glam, modern luxury, understated elegance, spacious light-reflecting centerpiece.

# Black Beaded Round Mirror

Best  
Seller

A Modern Round Accent Wall Mirror framed by a bold, decorative border. It features a circular high-definition glass mirror encased within a striking matte black frame composed of uniform, interconnected spherical beads that create a textured, playful silhouette.

**Materials:** High-grade matte black resin, distortion-free HD glass mirror, sturdy MDF backing plate.

**Design:** "Pearl" bead accent border, circular geometric profile, floating illusion wall mount.

**Craftsmanship:** Uniformly spaced spherical molding, seamless perimeter joints, integrated heavy-duty D-ring hangers.

**Aesthetic:** Transitional chic, modern minimalist, avant-garde bohemian, sculptural statement decor.

# Gold Beaded Round Mirror

Best Seller

A **Modern Round Accent Wall Mirror** framed by a decorative, textured border. It features a perfectly circular high-definition glass mirror encased within a striking champagne gold frame made of uniform, interconnected spherical beads that create a playful, dimensional silhouette.

**Materials:** Premium molded resin, distortion-free HD glass mirror, moisture-resistant backing plate.

**Design:** "Pearl" bobbin bead frame, circular geometric profile, flush wall-mount capability.

**Craftsmanship:** Uniformly spaced spherical spheres, seamless perimeter joints, fade-resistant satin metallic finish.

**Aesthetic:** Contemporary glam, transitional chic, playful elegance, sculptural statement decor.

# Black Capsule Shape Mirror

Best Seller

A **Modern full-length Capsule Wall Mirror**. It features an elongated oval or stadium-shaped silhouette with perfectly symmetrical rounded top and bottom curves, encased in a sleek, deep-profile matte black frame that provides a crisp border contrast.

**Materials:** Premium iron alloy frame, distortion-free HD silver glass, shatterproof film backing.

**Design:** Oblong capsule silhouette, minimalist deep-set frame, vertical or horizontal hanging versatility.

**Craftsmanship:** Seamless bent metal rim, uniform anti-rust powder coating, pre-installed secure D-ring mounting brackets.

**Aesthetic:** Minimalist Scandinavian, modern industrial chic, understated elegance, space-enhancing focal point.

# Gold Capsule Shape Mirror

Best Seller

**Modern capsule-shaped wall mirror with an integrated shelf.** It features an elongated oval silhouette with symmetrical rounded top and bottom edges, encased in a sleek brushed gold frame that broadens at the base to form a practical, built-in display shelf.

**Materials:** Heavy-duty iron frame, premium HD silver glass mirror, moisture-resistant protective backing.

**Design:** Oblong capsule silhouette, integrated functional bottom shelf, low-profile minimalist border.

**Craftsmanship:** Seamless precision frame bending, smooth brushed anodized gold finish, sturdy welded tray joinery.

**Aesthetic:** Contemporary glam, mid-century modern, understated luxury, space-saving entryway organization.

# Gold Triangle Shape Mirror

Best Seller

**Modern Triangular Accent Wall Mirror** with an inverted geometric shape. It features a unique three-sided silhouette with softly rounded corners, enclosed in a slim, elegant brushed gold metal frame that beautifully reflects a classic room interior with a crystal chandelier.

**Materials:** Premium aluminum alloy frame, distortion-free HD silver glass, shatterproof film backing.

**Design:** Inverted triangle shape, softly rounded corners, minimalist low-profile border.

**Craftsmanship:** Seamless curved frame joinery, smooth anodized brushed gold finish, integrated flush wall-mount hangers.

**Aesthetic:** Mid-century modern, contemporary luxury, avant-garde geometric, artistic statement decor.

# Black Triangle Shape Mirror

Best Seller

**Modern Triangular Wall Mirror** with an inverted geometric layout. It features a unique three-sided silhouette with softly rounded corners, encased in a sleek, low-profile matte black frame that provides a clean, high-contrast outline.

**Materials:** Heavy-duty iron alloy frame, distortion-free HD silver glass, multi-layer shatterproof backing.

**Design:** Inverted triangle, softly radius corners, minimalist ultra-thin profile rim.

**Craftsmanship:** Seamless precision-bent metal joints, uniform anti-rust powder coating, flush-fit glass insertion.

**Aesthetic:** Modern industrial chic, minimalist Scandinavian, bold geometric, striking contemporary accent.

# Silver Triangle Shape Mirror

Best Seller

**Modern Triangular Wall Mirror** with an inverted geometric layout. It features a unique three-sided silhouette with softly rounded corners, encased in a sleek, low-profile matte silver frame that provides a clean, high-contrast outline.

**Materials:** Heavy-duty iron alloy frame, distortion-free HD silver glass, multi-layer shatterproof backing.

**Design:** Inverted triangle, softly radius corners, minimalist ultra-thin profile rim.

**Craftsmanship:** Seamless precision-bent metal joints, uniform anti-rust powder coating, flush-fit glass insertion.

**Aesthetic:** Modern industrial chic, minimalist Scandinavian, bold geometric, striking contemporary accent.

# Gold Square Shape Mirror

Best Seller

A **Modern Square Accent Wall Mirror** resting on a white display block. It features a symmetrical four-sided silhouette with softly rounded corners, encased in a slim, elegant brushed gold frame that offers a warm, low-profile border.

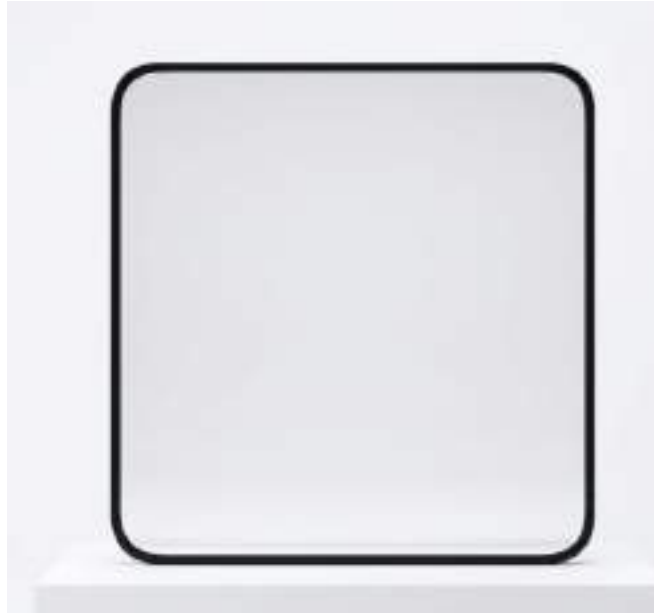

**Materials:** Premium aluminum alloy frame, distortion-free HD silver glass, shatterproof film backing.

**Design:** Rounded square geometry, ultra-thin minimalist profile, versatile orientation capabilities.

**Craftsmanship:** Seamless radius corner bending, uniform anodized brushed gold finish, flush-fit glass insertion.

**Aesthetic:** Contemporary luxury, mid-century modern, understated elegance, clean Scandinavian design.

# Black Square Shape Mirror

**Modern Square Accent Wall Mirror** resting on a clean white display pedestal. It features a perfectly symmetrical square profile with softly rounded corners, encased in a sleek, slim matte black frame that creates a crisp and high-contrast border outline.

**Materials:** Heavy-duty iron alloy rim, distortion-free HD silver glass, shatterproof film layer.

**Design:** Radius -corner square geometry, ultra-thin minimalist profile, clean geometric silhouette.

**Craftsmanship:** Seamless precision-bent metal framing, uniform anti-rust powder coating, flush-fit glass insertion.

**Aesthetic:** Modern industrial chic, minimalist Scandinavian, contemporary geometric, timeless functional decor.

# Silver Square Shape Mirror
