

PORTFOLIO – EVS

Name of the teacher: K.V. SIVARAM, MPP Primary School (28141901001) Burugupudi, Kirlampudi (M)

Period Plan (EVS)

✚ Name of the Lesson : **"CULTIVATION – CROPS"**

✚ Class : 5

✚ 1) Introduction :

a) Greetings : Good morning children

How are you? Etc.,

b) Warm up activity: Clap stop, Clap stops Activity and singing a Rhyme found a peanut found a peanut (I make the all students to participate actively).

c) Mind map: I will ask some questions to create interest and thinking towards the topic and ask them to discuss in their respective groups

1) Name some food items you eat?

2) Which food item do you like more?

3) How do we get food?

4) Name some crops that are cultivating in your village/area?

d) Announcement of the topic: I will announce the topic and write the Name of the topic on the black board "CULTIVATION – CROPS".

e) Presentation:

1) I will show the face sheet/big picture in the text book and ask the questions below the picture from the text book.

2) Teacher reading: I will read the first two Para's in the text book.

3) Student reading: Then I ask one of the students to read the Para's loudly.

4) Individual reading by the students and they will underline the words that are not known to them.

5) I will write down the unknown words on the black board and give the meanings.

- (By this activity students will learn the meaning of the new words in the lesson).
- 6) Then I will explain the two Para's with proper examples and children will understand the concept. Here I will give group activity by giving the questions those are in the text book. They discuss and give the responses group wise.
