

EMERGENCY ACTION PLAN

VENUES & GROUNDS

Testlands Hub

Address: Testlands FC, Testlands Hub, Keenan Park, Green Lane Southampton
SO16 9FQ

Telephone: 023 82026700

Emergency Access: There is a gate to access the pitches by main parking to the Centre. There is no height restriction on the gate. The gate will be open for match days. If an ambulance is required, they can drive straight onto the pitches but this is weather dependent. A member of Testlands Hub Staff should arrange for someone to meet the ambulance.

Any accident should be reported to the Testlands Hub staff ASAP, they will then complete the relevant forms and contact the emergency services if needed. During any development work it is vital that you inform the duty manager and be EXACT when describing the location, so that the site staff can direct an ambulance to the area by the best route. There is a defibrillator on site and the Hub staff will attend. Testlands Hub Staff also have access to the all site keys to open any secured gates and organise someone to meet the ambulance depending on what pitch the emergency is on.

Contact at Venue: Site Staff at Reception - 02382026700
