**Digital**  
wall tiles  
300x600mm

# Discover

the timeless

Uncover the timeless, classic, and elegant art of decor with an aesthetic and artistic collection of wall tiles from Sisam. The wall tiles are designed to instill elegance of the medieval period paired with the contemporary ambiance of the modern world to help you design spaces distinctive of all.

300x  
600mm / **Digital**  
wall tiles

# Exclusive

collection of  
**digital wall tiles**

The elegant collection is as feature-rich as it is refined and inventive. Loaded with features such as water-resistant, fire-resistant, non-fading, and a plethora they make an ideal tiling solution for numerous spaces.

**300x600mm**

## About us

Established in the year 2010, Sisam ceramics is a leading name in the tile industry with a decade-long experience in delivering only the finest. We are one of the largest tile producers of double charge and fullbody vitrified tiles with 33 million sq.mt of production capacity.

Headquartered in Morbi Gujarat, India, Sisam Granito exports its finest and most extensive range of floor and wall tiles worldwide in a wide range of designs, sizes, and types.

As a company, we believe only in excellence and innovation delivering only the best and the same reflected in our products separating them from the ordinary.
