**Thank you for purchasing this reclining chair and footstool. Please inspect all parts prior to assembly and contact us if there are any damaged or missing components. This must be done before attempting assembly.**

## **Pre-assembly preparation**

Please ensure instructions are read in full before attempting to assemble this product

**Necessary Tools** (Some of the tools shown below are optional and are required only for quick assembly of this product)

Please check the pack contents before attempting to assemble this product. A full checklist of components is given in this leaflet. If any components are missing, please contact the retailer from whom you bought this product.

This product is **HEAVY**, it should be assembled as near as possible to the point of use. **TAKE CARE WHEN LIFTING** to avoid personal injury and (or) damage to the product.

This product takes approximately 15 MINUTES to assemble with 1 PERSON.

The fittings pack contains **SMALL ITEMS** which should be **KEPT AWAY FROM YOUNG CHILDREN**.

## **Safety Instructions**

Never drag furniture when moving it, always lift it.

Periodically check all fixings to ensure none have come loose and re-tighten where necessary.

Please take care when handling or moving the furniture as careless handling may cause damage or injury.

Furniture can be dangerous if incorrectly installed. No liability will be accepted for damage or injury caused by incorrectly installed or assembled furniture.

It is recommended that before moving heavy objects to a new location they are completely dis-assembled to avoid personal injury or damage to the furniture. Please be careful to retain all fittings when doing this.

Ensure the chair is always placed firmly on the ground.

## **WARNING :**

Sit on the chair to use the weight of the body to tighten the joint on the column and the seat.

Please note this is not a permanent fit due to the 360 degree turning action.

Always take care and keep feet clear of base when moving / lifting this product.

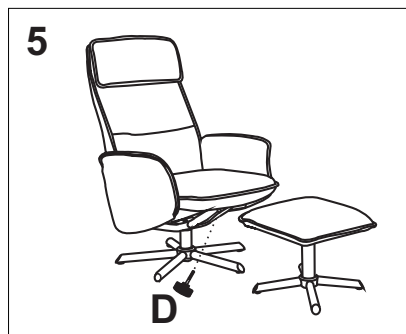

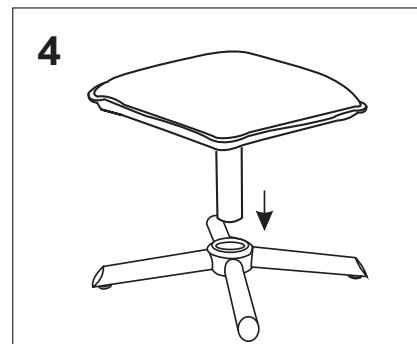

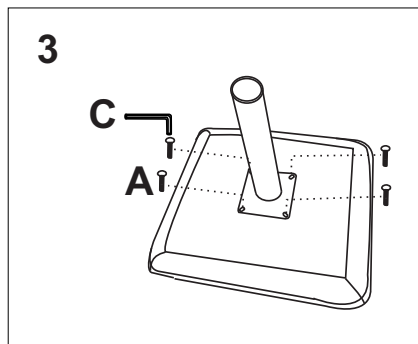

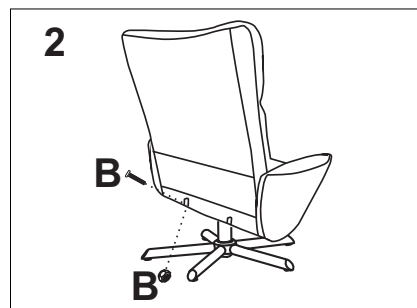

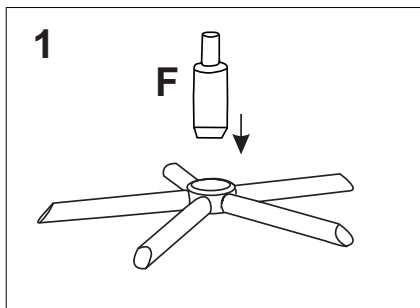

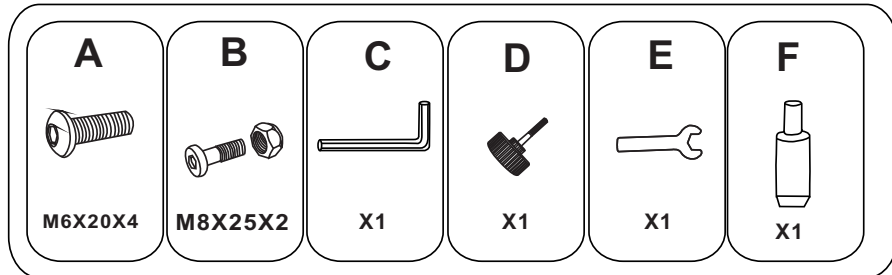

Do not stand on chair or use a ladder as this may cause serious injury.

Do not use the chair if any part appears damaged, broken or missing.

Do not use the chair unless all components are correctly fitted and adjusted.
