

Lenovo Q24i

Truly a Display of Style and Performance

Add a touch of class and confidence to your living space with the elegantly designed, ultra-slim Lenovo Q24i-IL monitor. Be it in the living room or the study, this sleek display with Full-HD resolution and NearEdgeless bezels bring beauty and functionality together in a perfect 23.8-inch package. Experience superior visuals with its In-Plane Switching display that makes the view from any angle striking. Bid goodbye to eye strain with **Natural Low Blue Light** and **Eyesafe Display Certification** that minimize harmful blue light and yellow distortions without impacting color accuracy. Moreover, TÜV Rheinland Eye Comfort-certified panel ensures endless viewing comfort. Take your world of entertainment to the next level with the AMD FreeSync™ technology and dual speakers that offer seamless picture quality and rich audio for an immersive experience, every time.

A Display That's Second to None

The incredible Full-HD clarity of this 23.8-inch display is well suited for binge-watching. A feast to the eyes, this NearEdgeless, In-plane switching panel has a wide viewing angle of 178° on either side, so you see every detail. AMD FreeSync™ technology, 75 Hz refresh rate, and 4ms response time eliminate screen tearing to enhance your gameplay. Moreover, **Natural Low Blue Light technology**, the most advanced eye-comfort tech in the market along with along with **Eyesafe Display Certification** let you enjoy more of everything you love. Reducing harmful blue light without displaying a yellow tint, the Q24i-2L minimizes eye strain and maintains color accuracy for picture-perfect visuals.

Built Exclusively for Your Home

The Lenovo Q24i-IL sports a clean design with a luxurious iron gray stand that blends with your home interiors. The 6.9 mm ultra-slim monitor head coupled with a 3-side NearEdgeless screen makes this display a sight to behold. Make a contemporary addition to your wall by mounting this VESA-compatible monitor neatly on any flat surface. Alternatively, place it on a table and have the option to adjust the monitor to just how you need it with the tilt function of the stand. The built-in cable holder ensures your space remains neat and clutter-free by keeping all the wires and cables in check.
