This My Café EV2005 White Digital Microwave is very stylish and would complement any kitchen.

This attractive microwave has a 20 litre capacity - comfortably fitting a standard size dinner plate. With 800W of microwave power, 5 power settings and a 95 minute timer, it will handle all of your cooking, reheating and defrosting needs.

It comes with 8 pre-programmed auto cook menus, including Pizza, Potato, Pasta and soup, allowing you to cook all your favourite foods at the push of a button.

What's more, there's an automatic defrost setting, meaning all you have to do is input the weight of the food and the microwave selects the ideal defrost time, saving you time and effort.

Additional features include a quick start function and multi stage cooking, which allows you to programme 2 separate cooking sequences - ideal for defrosting and then cooking the food in one go.

This microwave also comes with a child safety lock option, preventing young children from being able to open the microwave door.
