

Product Specifications

Pet First Aid Kit

- **Peace of Mind in Emergencies** – Provides fast, effective support when your pet is injured or distressed, reducing stress and pain.
- **Portable & Travel-Friendly** – Compact, lightweight, and waterproof case perfect for hiking, camping, or car trips with your dog.
- **Suitable for Dogs & Cats** – Designed for multi-pet households with supplies safe and effective for a variety of pets.
- **Easily recognisable** – Bold red case with white decals makes it instantly recognisable as a pet first aid kit.

Be ready for any pet emergency with our **Pet First Aid Kit**. Whether you're at home, on a hike, or traveling, this compact kit contains everything you need to treat minor injuries and manage unexpected situations until you can reach a vet. **Benefits of Having a Pet First Aid Kit:**

- Stay calm and prepared during pet emergencies.
- Reduce the risk of infection or complications.
- Ensure quick, safe care while waiting for vet attention.
- Keep your pets safe at home and on the go.

Kit Contents Whether your dog gets a paw injury on a trail, your cat gets scratched during play, or your puppy picks up a tick in the garden, this kit gives you peace of mind when every second counts. The kit includes:

- **HypaCover Microporous Tape** – used to fasten bandages and dressings on pets' limbs.
- **HypaTouch Nitrile Gloves** – ensures that when performing first aid on animals, there isn't any cross-contamination.
- **HypaCover Sterile Dressings** – perfect for cat and dog first aid as these dressings will provide coverage for wounds without adhering to the animal's fur.
- **HypaGuard Tick Remover** – perfect for those pets who roam in long grass, providing easy removal of ticks.
- **Tweezers** – for removing splinters, thorns, or debris from paws or skin.

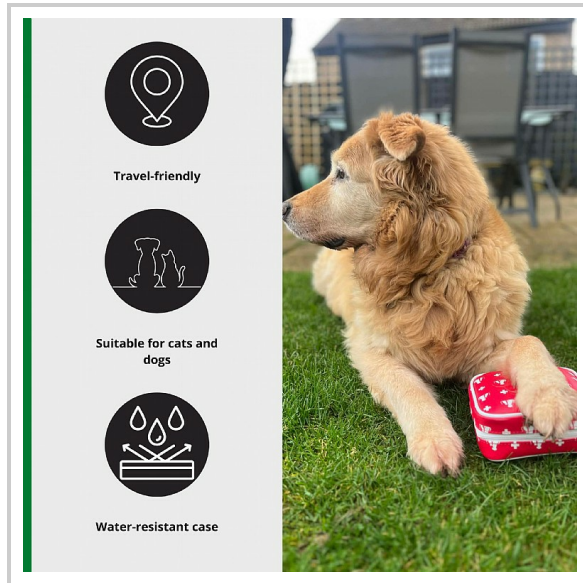

As well as:

- HypaCover Sterile Moist Wipes
- HypaCover Low Adherent Dressings
- HypaCover Adhesive Dressings
- HypaBand Triangular Bandage
- HypaBand Cohesive Bandage
- HypaBand Crepe Cotton Bandage
- HypaGuard Foil Blanket
- HypaClens Eye Wash Pods
- First Aid Guidance Leaflet

The Case This reusable, zippered case keeps contents organised and protected with the help of two mesh pockets on the inside of the case. The case has a bold red background featuring white decals of a first aid cross and the silhouettes of a cat and dog, making it instantly recognisable as a pet first aid kit. Made from a water-resistant material that is easily wiped clean this case is ideal for outdoor use. **Suitable for** Our animal first aid kit is a versatile kit, suitable for use in a variety of circumstances including:

- At home
- In the car
- On hikes
- When travelling

This pet first aid kit has been made with dogs and cats in mind, but could also be suitable for other small pets.
