

Dymo Labelwriter 450 – Specifications

Features & Benefits

- Label, mail, and file smarter with proprietary DYMO® Productivity Software, featuring the new DYMO Label version 8, DYMO File™ and Address Fixer™
- DYMO Label version 8 software enables you to create and print address, shipping, file, folder and barcode labels, plus name badges and more—all from your PC or Mac®
- Print up to 51 labels a minute*
- Uses thermal printing technology – no expensive ink or toner needed, ever
- Create labels directly from text in Microsoft® Word, Excel®, Outlook®, QuickBooks® and other programs, without retyping
- Built-in address book easily prints labels from your Outlook® Contacts or Mac® Address Book – just search and filter your contacts to print exactly the labels you want
- Verify US addresses and ZIP+4® codes with included Address Fixer™ software (Requires Internet connection)
- Quickly create a one-off label whenever you need one with the Quick Print widget
- Print one label or hundreds, without the waste and hassles of sheet labels
- Convert stacks of paper documents to space-saving digital files with the included DYMO File™ LT software**
- Print crystal-clear text, graphics and barcodes with improved 600 x 300 dpi graphics mode
- Choose from 60+ label styles and layouts
- Browse all available label layouts on screen – quickly find the best label for any job
- Share with co-workers using Windows/Mac printer sharing or optional DYMO LabelWriter Print Server (sold separately)
- Put it anywhere – compact size, new design and colors fit any modern workspace
- *4-line address label.
- ** Windows only; requires scanner with document feeder. Scans up to a maximum of 200 pages per month.
