Product description

With important exams just around the corner, who's never dreamt of revision being more fun and effective? The FLASH 2.0 flashcards will help you to efficiently memorise definitions, formulas and foreign languages. Flashcards are simple and recreational memory tools that enable you to assimilate a large amount of information by heart. Write down questions on the front and answers on the back and test yourself at regular intervals over a period of time for long-term memorisation. And it's even more efficient thanks to the free Scribzee® application! Scribzee® will save your FLASH 2.0 flashcards in the cloud and propose a "revision" and a "quiz" mode so that you can practise and revise at any time and anywhere via all your connected devices. And the coloured frames of the FLASH 2.0 flashcards will not only add a bit of fun to your revision but also enable you to efficiently organise your work by topics and subjects. With the new generation of FLASH 2.0 flashcards your revision will be really exciting!
