

Designed for full mobile management DCP-J1200W

www.brother.co.uk/dcp-j1200w

Mobile managed all-in-one wireless colour inkjet printer

Revolutionise your print and scan experience with the DCP-J1200W, which is designed for the modern day user. A multifunction printer offering print, copy and scan functionality with wireless connectivity, you can fully operate this printer from your mobile device. By downloading the Brother Mobile Connect app on iOS or Android you can manage your printing device from anywhere.

DCP-J1200W

Key features:

- Mobile managed via 'Brother Mobile Connect' app
- Wireless connectivity
- Enclosed paper tray holding up to 150 sheets
- Print speeds of up to 16ipm mono and 9ipm in colour
- Copy and scan in colour
- In-box inks BK: 720 pages, CMY 480 pages

Print from anywhere, any time

Thanks to the remote print function of the Brother Mobile Connect app, you can send prints jobs from anywhere – allowing you to get on with the rest of your day. You can even set up notifications that will let you know when the job is completed.

Brother Mobile Connect

Mobile Connect is the app that lets you personalise your frequently used printer functions unlocking a revolutionary way of printing. As well as sending print jobs from anywhere, there is whole host of useful scan features – scanned data directly to your mobile device or check your scan history for files. If you're worried about running out of supplies simply check your ink levels and order replacement supplies direct to your door.
