## NEW climate neutral ream

Climate Neutral

Environmentally responsible

Outstanding printing quality

0% plastic wrapper and climate neutral to further our commitment to sustainability.

At HP, the health of our planet, people and communities has always been a core value. One way to protect the environment for future generations is for every business to begin moving towards climate neutrality.

HP Earth First offers quality, reliability and value - perfect for daily printing needs. Lighter and whiter than standard office papers, it is cost-efficient for large print runs.
