Safety Instructions

Periodically check all fixings to ensure none have come loose and re-tighten where necessary.

Please take care when handling or moving the furniture as careless handling may cause damage or injury.

Furniture can be dangerous if incorrectly installed. Assembly should be carried out by a competent person. No liability will be accepted for damage or injury caused by incorrectly installed or assembled furniture.

It is recommended that before moving heavy objects to a new location they are completely dis-assembled to avoid personal injury or damage to the furniture. Please be careful to retain all fittings when doing this.

Never tilt the chair. Ensure the chair is always placed firmly on the ground.

WARNING :

Sit on the chair to use the weight of the body to tighten the joint on the column and the seat.

Please note this is not a permanent fit due to the rise & fall and 360 degree turning action.

Always take care and keep feet clear of base when moving / lifting this product.

Do not stand on chair or use a ladder as this may cause serious injury.

Do not use the chair if any part appears damaged, broken or missing.

Do not use the chair unless all components are correctly fitted and adjusted.
