MediaRange Gaming Series keyboard and 6-button optical gaming mouse set, QWERTZ, black

Lightning fast, robust and reliable: Our keyboard and mouse set for every gamer will guide you through your toughest battle. The 104 keys of the membrane keyboard offer you more than 10 million keystrokes and anti-ghosting, and the 6-key rollover function transmit your inputs precisely and with lightning speed. The optional backlight in rainbow design makes gaming even more fun. No keyboard would be complete without the right mouse!

The powerful and highly precise sensor, with up to 2.400 FPS and 48 IPS, gives you the accuracy you need, even with the fastest movements. With the extra-large scroll wheel and additional side buttons, our mouse is ready for any adventure. The DPI button lets you switch from 800 to 2.400 dpi.

Keyboard layout in here may vary. Please check product details.
