

CHEEKY PANDA BIODEGRADABLE ANTI- BACTERIAL MULTI-SURFACE CLEANING WIPES

Perfect for a quick kitchen clean or getting your desk to gleam!
EN 1276 certified by SGS.

Product features

- Suitable for office environments as a multi-purpose wipe for agile working and hot desk environments.
- The wipe itself contains no plastic unlike 90% of other wipes on the market, and the packaging is fully recyclable through your household collection or at your local recycling centre.
- Infused with 99% purified water with plant derived cleaning agents.
- Our wipes are whipped up from biodegradable bamboo (instead of non-biodegradable, ocean-polluting polyester); dermatologically tested, proudly vegan and never (ever) tested on animals.
- The Cheeky Panda Anti-bacterial have been independently tested in accordance with European Standard EN 1276 by SGS.
- Effective against Pseudomonas aeruginosa, Escherichia coli, Staphylococcus aureus, Enterococcus hirae bacteria.
