Safety Information

Extremely flammable aerosol. Pressurised container: may burst if heated. Do not spray on food. Shake well before use. Spray away from body. Not suitable for polished wood, painted surfaces, leather or acrylic plastics. NOT FOR PERSONAL USE. Causes serious eye irritation. Keep out of reach of children. Keep away from heat/sparks/open flames/hot surfaces. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice. Protect from sunlight and do not expose to temperatures exceeding 50°C. CAUTION: only use as directed. Intentional misuse by deliberately concentrating and inhaling can be harmful or fatal. Use biocides safely and sustainably. No smoking. Do not spray on open flame or other ignition source. Extremes of temperatures can occur in motor cars, near ovens and fireplaces. Do not spray an electrical fire, heat sources or electrical equipment in use.
