

eufy by Anker, RoboVac G30 Verge, Robot Vacuum with Smart Dynamic Navigation 2.0, 2000Pa Suction, Wi-Fi, Boundary Strips, For Carpets and Hard Floors.

TD

Home Mapping: With the Path Tracking Sensor, Home Mapping allows for purposeful cleaning across all surfaces when compared to random path robotic vacuums.

2000Pa of Hard-Hitting Suction: The ultra-strong 2000Pa of suction power ensures more debris is picked up across all surfaces giving you noticeably cleaner floors.

App Control with Cleaning History: Complete all your cleaning needs right from your smartphone. When the job is done check-out where and when your RoboVac cleaned.

Set Boundary Strips: Exclude your kid's play area or your pet's bed. RoboVac uses specialized dual-Hall Sensors to detect the Boundary Strips you set, ensuring it only cleans the areas required.

What You Get: RoboVac G30 Verge, Charging Base, 6.6 ft. Boundary Strips, AC Power Adapter, 2 Side Brushes, Additional Unibody Filter, Cleaning Tool, 5 Cable Ties, Welcome Guide, and our Worry-free 12-month Warranty.

PD

eufy RoboVac G30 Verge

Purposeful, Powerful, Proficient

Smart Dynamic Navigation 2.0

The refined Gyro-navigation Technology and all-new Path Tracking Sensor allow RoboVac to clean with purpose like never before.

Packs-a-Punch

2000Pa of hard-hitting suction power means that RoboVac won't miss a speck as it glides from room to room.

Total Control Over Your Clean

Give detailed commands right from the app or control via voice assistant. When the task is complete, check the cleaning history to see where and for how long your RoboVac cleaned. Helpful voice reminders provide you with guidance and updates so you always know what is going on.

BoostIQ and Hands-Free Control

RoboVac possesses BoostIQ Technology which automatically increases suction power when extra vacuuming strength is needed. With multiple cleaning modes and auto-clean scheduling RoboVac ensures an effortless, thorough clean while you relax.

Improved Cleaning

Refined from the inside and out to provide quiet vacuuming with zero hassle, RoboVac cleans with the equivalent sound of a microwave. Reduced height of only 2.85" allows for cleaning under low-lying furniture with ease.

Year-Round Support

At eufy, we believe in our products. That's why we back them all with 12-month product support and provide friendly, easy-to-reach assistance.

For Optimal Use:

- Ideal for hardwood, tile, laminate floors, and medium-pile carpets. Not suitable for high-pile carpet and very dark-colored carpet.
- Move cables out of the way to avoid tangling. 5 cable ties are provided in the package to help you better organize wires and power cords.
