## **Section (4) Marketing Information**

Our Spot & Stain Remover Wipes are intended to remove a wide range of stains and spills, making them great for carpet cleaning emergencies. They are non-toxic, making them gentle on your carpets and the environment. These wipes are safe to use on textiles and upholstery and are excellent for eliminating stains such as coffee, tea, food, juice, makeup, grease, oil, and a variety of other unusual stains. Before using, test wipes on a small inconspicuous area for colour transfer. Do not use on velvet, brocade, crayon, or other unsuitable for wet cleaning materials. Remove any solids from the cleaning area and wipe away leftover liquid using a dry paper towel. Apply the wipe to the stained area, working from the outside towards the centre. Dried in stains may require additional wipes.
