The Ksix Urban 4 smartwatch is the perfect combination of style and functionality. Immerse yourself in its 2,15" multi-touch curved IPS display and enjoy exceptional quality images. Thanks to its built-in microphone and speaker, you can make and answer calls and use voice assistants. Manage your phone notifications and enjoy its many features with the MActivePro app. In addition, thanks to its sport and health monitoring you can keep an exhaustive control of your daily activity and physical exercise, besides being able to submerge it. All this together with an autonomy of up to 5 days.
