Brand : Epson

Product code: C13S042003

Product name : Proofing Paper White Semimatte, 17" x 30,5 m, 250g/m²

Proofing Paper White Semimatte, 17" x 30,5 m, 250g/m²

Epson Proofing Paper White Semimatte, 17" x 30,5 m, 250g/m²:

Designed with 250µm naturally bright white base, Epson Proofing Paper White Semimatte is free of optical brighteners and ideally suited for proofing a wide variety of colour critical commercial offset printing applications. It is most commonly used in high-end sheetfed printed products such as brochures, collateral, book covers and posters.

Coated to exacting standards, Proofing Paper White Semimatte is specifically optimised for proofing applications using Epson UltraChrome™ K3 ink and displays outstanding short term stability. Its weight, base tint, and wide colour gamut makes this the perfect choice for commercial proofing applications.

Like all Epson's innovative media, this paper is engineered to give you the highest resolution and colour saturation possible. As always, Epson supplies guarantee Epson quality.
