

Always feel safe knowing your home is protected, inside and out.

With a 12m detection range and optional pet-friendly and sensitivity features to suit your needs, you can place the Yale Indoor Motion Sensor in every room of your home on corners or flat walls.

Get notifications via the app as soon as motion is detected indoors, or if someone tampers with the sensor.

Dual installation methods to permit installation in every corner or wall of your home.

Horizon+Technology

Trusted every day
