

## WorkWise Desk-Mounted Workstation, Single Display

MODEL NUMBER: WWSS1332C

Clamps to your desk to make it an ergonomic sit-stand workstation without modifying the entire work surface.

### Features

**Enjoy the Benefits of Standing During Your Workday**This WorkWise™ sit-stand workstation clamps to the edge of a fixed-height table or desk, allowing you to enjoy the benefits of better workplace ergonomics. Standing for part of the day can help increase metabolism, improve alertness and productivity, reduce fatigue and decrease the risk of repetitive stress injuries. Ideal for home, school or office use, the WWSS1332C clamps to most fixed surfaces from one to 3.4 inches thick.

**Easy to Adjust to Your Liking With a Single Touch**Just one touch is all it takes to adjust your workstation's angles and heights to fit your comfort level. All sections move together for smooth transitions between sitting and standing modes. The full-motion arm revolves from -180° to +180° to give you plenty of flexibility in minimizing glare and providing comfortable viewing. It also rotates 360 degrees for viewing in portrait or landscape orientation. Increase or decrease tension using the included hex key to compensate for heavier or lighter loads.

**Versatile Mounting Options Require Minimal Desk Space**This sit-stand workstation offers two different mounting methods: desk clamp or grommet mount. For easy and convenient installation and removal, use the desk clamp mounting option. For a permanent mounting solution, use the grommet mounting option. Necessary mounting hardware is included.

**VESA-Compliant Mount Supports Up to 17.6 lb.**The VESA-compliant single-arm mount fits most flat-panel monitors, televisions and other displays from 13 to 32 inches. It's compatible with 75 x 75 mm, 75 x 100 mm, 100 x 75 mm and 100 x 100 mm VESA mounting-hole patterns.

**Extra-Large Keyboard Tray Holds the Most Popular Models**The large keyboard tray, with soft padded wrist rest, measures 26.2 x 10.2 inches and flips up to save space when not in use. A secondary surface is ideal for telephones, fans and other desk accessories.

**5-Year Warranty and Environmentally Responsible Design**The WWSS1332C sit-stand workstation comes with a 5-year warranty. It's manufactured in compliance with strict RoHS specifications, reflecting Tripp Lite's commitment to environmental responsibility.

### Highlights

- Clamps to fixed surface to leave valuable desk or table space clear
- Adjusts to fit wide range of flat-screen monitors from 13 to 32 in.
- Keyboard tray with padded wrist rest flips up when not in use to conserve workspace
