

Gradient Floor Light

Transform your space with the WiZ Gradient Floor Light. Enjoy RGBIC technology for stunning, multi-colour displays that bathe the room in light. Its sleek, minimalist design fits into any corner, while customisable pre-set modes let you choose between dynamic animations or soft, static glows. You can even have your light pulse to music or match the colours of your TV screen (HDMI Sync Box needed).

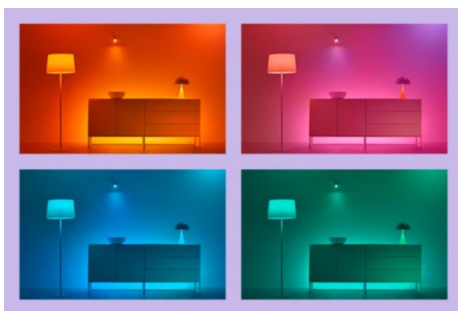

PRODUCT HIGHLIGHTS

- Multiple colours all at once
- Sleek and minimalist design
- Sync with TV (Sync Box needed)

Control with any Matter smart home platform

This product is Matter-certified, allowing easy control through Google Home, Amazon Alexa, Apple Home or any other Matter-based smart home platform of your choice.

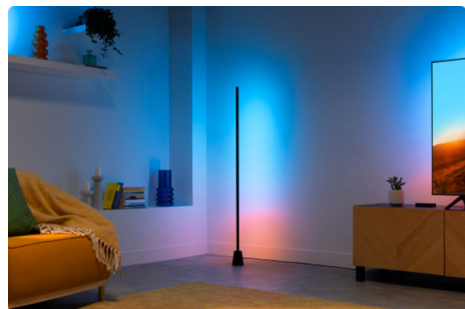

Millions of colours and changing light modes to make your day

Choose any light colour you like or simply apply a dynamic light mode that we've designed for you. Fireplace or Ocean, for example, will help you create an amazing atmosphere and lift your mood.

Sync lights to music

Dive into the rhythm with our Music Sync feature. Effortlessly synchronise your lights to your favorite tunes. Just remember, keep your mobile device near the speaker for perfect harmony between sound and light.

Immersive surround-lighting

Sync your lights with video (HDMI Sync Box required) and music to elevate your home entertainment. Perfect for films and gaming, the Sync feature creates a fully immersive, cinema-like experience that brings your content to life.

Static and dynamic light modes to lift your mood

Choose from millions of colours or from the set of light modes we've designed for you. With so many options, you can bring the magic to all your holidays, parties, intimate get-togethers and daily vibes!

Stunning gradient light effect

Experience the beauty of gradient lighting, where multiple colours flow seamlessly together to create a mesmerising light effect. Add vibrant energy to any room with this dynamic design.
