Festavia string lights

Hue White and Colour
Ambiance

Create a gradient of colour

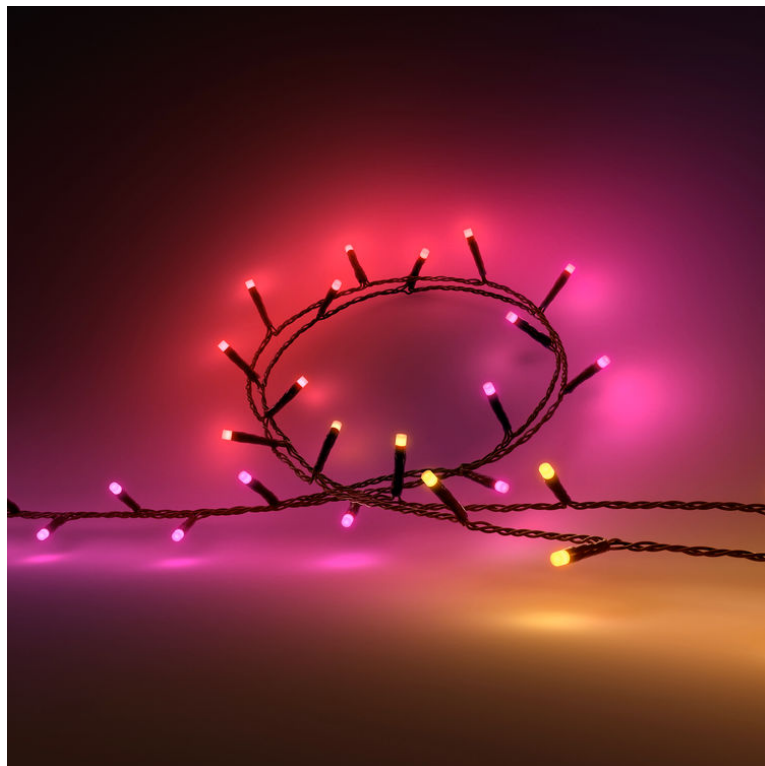

250 smart colour LEDs

20-metre cord

Indoor and outdoor use

8720169246645

Easy smart lighting

With 250 smart mini LEDs along a 20-metre cord, Festavia string lights are the perfect indoor and outdoor decoration. Create a gradient of colour along the string, set an effect such as Sparkle or Prism, or use one shade of white or colour to create a more traditional look.

Easy control and comfort

- Customise with the Hue app
- Add accessories
- Go hands-free with voice

String light versatile use

- Festavia string lights are weatherproof, so they can be used both inside your home or outside all year round. And because it's Low-volt compatible, you can connect it to the same power supply unit as your other outdoor lights.
- Beyond the special holiday scenes that make that time of the year extra festive, any scene from the Hue scene gallery looks beautiful on Festavia — making for perfect year-round decor.

- Special string light styles

Highlights

Customise with the Hue app

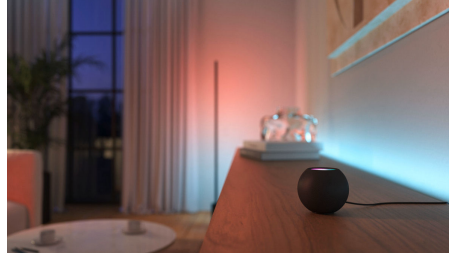

Set up in the Hue app to get instant control of your string lights – along with all your other lights! With the Hue app, you can also set automations and more.

Add accessories

Get a little more convenience out of your lights with easy-to-use accessories, such as a Hue dimmer switch or smart button.

Go hands-free with voice

Control with voice commands by pairing with smart home assistants such as Amazon Alexa, Siri and Google Assistant.

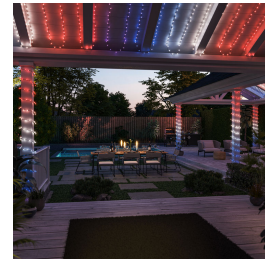

Indoors and outdoors

Set the scene

Special string light styles

Once you've set your scene, make it unique! Use the Linear style for a gradient of colour in a single line, Scattered for a random arrangement of colour or Mirrored to mirror the colours from the middle of the string.
