RoboVac G30 Hybrid

One RoboVac, Two Fewer Chores

**POPULAR
MECHANICS**

"I'm a huge fan of robot vacuums and eufy makes some pretty great ones. No matter what your situation, there's something on this list for everyone."

"Eufy's lineup of robot vacuums are excellent. For pet owners, tenants with neighbors who like to complain, or anyone who wants to be able to run their robot while at home, Eufy's models are exceptionally quiet."

iMore

"Although 'Roomba' may be the eponym in the 'robotic vacuum' industry, many other brands have made a push in recent years and Eufy is one of the best in the business."

Hybrid 2-in-1 Vacuum & Mop

Combine sweeping and mopping for a deeper clean that will leave your floors sparkling.

Smart Dynamic Navigation 2.0

The refined Gyro-navigation Technology and all-new Path Tracking Sensor allow RoboVac to clean with purpose like never before.

2000Pa of Hard-Hitting Suction

2000Pa of hard-hitting suction power means that RoboVac won't miss a speck as it glides from room to room.

Boundary Strip

Exclude your kid's play area or your pet's bed. RoboVac uses specialized dual-Hall Sensors to detect the Boundary Strips you set, ensuring it only cleans the areas required.

Convenient Control

Use the EufyHome app to schedule cleaning sessions, or to control RoboVac from your couch.

Ultra-Thin Design

Super-slim 2.85" body effortlessly glides under furniture and into hard-to-reach areas.
