

Rechargeable Multidevice Bluetooth & RF Wireless Keyboard & Mouse Set

Order Code: KYB-8400-BTSET-S

Accuratus 8400 - Rechargeable Multidevice Bluetooth 5.0 & RF 2.4Ghz Wireless Multimedia Scissor Key Keyboard and Mouse Set

About

The Accuratus 8400 is a full size keyboard and mouse set with multi device Bluetooth and RF 2.4GHz wireless connectivity meaning you can hot swap quickly between paired devices such as a PC, Mac and tablet or phone. With dual layouts supporting Windows and Mac keyboard layouts the 8400 can work seamlessly with both platforms. The 8400 keyboard and mouse have integrated rechargeable lithium batteries, offering upto 4 months use on one charge for the keyboard and 70 days on the mouse. The keys are slim height with scissor key technology offering a soft touch and tactile feel, setting you up for hours of comfortable typing. The mouse offers 90% quieter buttons & scroll wheel, and adjustable dpi for precise movement setup. The 8400 boasts excellent features to enhance durability such as UV protected keycap legends, meaning the letters will always remain fresh throughout the life of the keyboard. The included mouse has an ambidextrous design meaning it is perfect for both left and right handed users.
