

PHILIPS

Play Gradient Lightstrip for PC

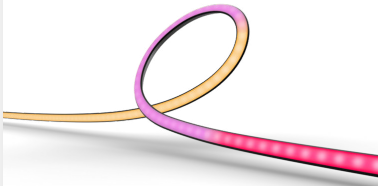

LIGHTSTRIPS

Made for 24" to 27" monitors

Includes power supply and
mounts

Blends white and coloured light

Requires Hue Bridge

8719514434479

Easy smart lighting

Get a gradient of reactive, colourful light for your gaming setup! Attach the Play gradient lightstrip to the back of your 24"–27" monitor with the included mounts. Start syncing with the Hue Sync desktop app to see the action on your screen reflected in the light.

Easy smart lighting

- Ultimate light experience
- Made for monitors
- Supercharge your surround lighting
- Easy to install
- Blend multiple colours of light
- Personalise the experience

Highlights

Ultimate light experience

Get a seamless gradient of rich, high-quality light. Each colour along the lightstrip flows naturally into one another, creating a unique effect.

Made for monitors

The Play gradient lightstrip mounts to the back of your single- or triple-monitor setup, bending easily around its corners.

Supercharge your surround lighting

When used with other colour-capable Philips Hue lights, you unleash the full power of surround lighting.

Easy to install

The Play gradient lightstrip comes in three sizes for single- and triple-monitor setups, and includes mounting clips, making it easy to attach to the back of your monitor.

Blend multiple colours of light

Colours flow naturally into one another, blending together and shining against the wall for a unique effect behind your monitor.

Personalise the experience

Switch modes, change the intensity and create shortcuts in the app for a personal experience every time you game.

Specifications
