

**devolo** Home Control

# Radiator Thermostat

Your ideal temperature any  
time of day.

The **devolo Radiator Thermostat** takes care of your individualised temperature, anytime, anywhere - and saves money too!

The versatile time control perfectly fits in your daily routine, but can be changed at any time manually, whether from at home or away.

# devolo Home Control

## Radiator Thermostat

### Product features:

- Controls the room temperature by a time control depending on your individual daily routine. It gives you flexibility for programming each day of the week.
- Fits most current radiators. Simply replace conventional radiator thermostats.
- Ready to use in no time: can be installed easily, without special tools or expertise.
- Manual temperature control at the thermostat, and intuitive operation via an app for smartphone, tablet and computer.
- Illuminated display to show temperature.
- Individually expandable at any time with other devolo Home Control components.
- Future-proofed thanks to standardised Z-Wave® wireless technology.
- 3-year manufacturer's warranty.

### Application example:

if

the Door/Window Contact reports an open window

then

the Radiator Thermostat turns down the radiator.

Radiator Thermostat UK
