

Arlo Pro 3 Floodlight Camera

2K Wire-Free Security

Security at its Brightest

Illuminate and view 2K video with the powerful wire-free Arlo Pro 3 Floodlight Camera. The multi-functional wire-free video floodlight cuts through darkness with brilliant LED's, and an integrated high resolution 2K camera allows you to clearly view live video or recorded clips directly from your phone, with an included trial of Arlo Smart.* The sleek design seamlessly integrates a robust security solution into your space. See more with a wide 160-degree diagonal field of view. Hear and speak to visitors clearly, with two-way audio. Customize lighting configurations to enhance security. Trigger your built-in siren remotely or automatically to ward off unwanted visitors. Protect your home or business with Arlo.

Superior Brightness

Brightly illuminate your property with 2000-3000 lumens.**

2K Video with HDR

Zoom in on objects and see clearer details and colors in 2K HDR.

Wire-Free

Install in minutes and easily mount in more locations.

* Arlo Smart includes cloud recordings of video clips at 2K or lower resolution for 30 days. Renewal of an Arlo Smart subscription is required to maintain Arlo Smart features, including cloud storage. Arlo Smart service not available in certain countries. See www.Arlo.com/ArloSmart for details.

**Requires solar panel or outdoor charging cable to emit up to 3000 lumens.
