

Datasheet H570e Headset (Teams Version)

Logitech H570e provides employees with a straightforward audio solution. Enjoy *Microsoft Teams*-certified, crystal clear audio on *Teams* calls with this headset, which also features effortless controls for enhanced communication and productivity. The lightweight design is made with a minimum of 45% postconsumer recycled plastic¹ in the plastic parts.

- *Microsoft Teams-certified audio:* Two embedded noise-canceling mics and a large 30 mm audio driver ensure you can hear and be heard in noisy workspaces.
- Effortless controls for better productivity: Easily answer or end calls, adjust volume, mute or unmute calls at your fingertips. A dedicated *Teams* button offers quick access to *Teams* activities.
- **USB plug-and-play:** Instantly connects to an employee's laptop via USB-A or *USB*-C. No drivers or other software are required.
- **Design for sustainability:** Made with a minimum of 45% postconsumer recycled plastic¹ in the plastic parts. Replaceable ear pads extend lifespan.
- Lightweight comfort: Features leatherette ear pads, a padded headband, and a featherweight design for a comfortable fit that won't weigh you down.
- **Remote management:** Logitech Sync offers IT admins a secure and scalable approach to remotely manage and update the headsets².

Connectivity	Connection type Microphone type	USB-A or USB-C 2 noise-canceling mics (1 uni-directional mic and 1 omnidirectional mic)	Ease of use	Lightweight, comfortable design	Leatherette ear pads can be easily cleaned and are conveniently replaceable, plus a padded headband with metal reinforcement provides strength and flexibility, with a fit that
