Up to 900 x 600mm
(35.40" x 23.60")

Max Load
90kg
(200lb)

PARAMOUNT™ Motorised Height Adjustable Trolley

FOR 50" TO 95" INTERACTIVE DISPLAYS

The Peerless-AV® Paramount™ Motorised Height Adjustable Trolley is designed to safely mount, move, and store an interactive display. Integrated actuators allow you to raise or lower a display, up to 250mm (9.8"), with the touch of a button. The trolley's large mounting plate and locking casters provide a stable foundation for touch applications and allow you to easily manoeuvre the trolley from room to room. The durable grey powder coat finish provides a nice aesthetic to complement this highly functional solution that is ideal for any touchscreen application.

- Robust, cold-rolled steel frame, along with a heavy-duty motor and actuators, allows the trolley to accommodate the heaviest displays, up to 90kg (200lb)
- Integrated digital controls at the rear of the trolley allow users to raise, lower and lock the movement of the display with no remotes to lose or batteries to replace
- Pre-assembled castors expedite installation
- Textured grey powder coat finish helps hide fingerprints and dust
- Includes 3m (118") power cord
- Power rating: 125V, 60Hz, 75W Max.
Convenience receptacle: 5 amp Max.
Replacement fuse: T10AL250V

UNIVERSAL VESA® PATTERN

Fits a variety of displays with mounting patterns ranging from 200 x 200 to 900 x 600mm

VERTICAL ADJUSTMENT

Centre of display adjusts from 1500 to 1750mm (59" to 68.9") from the floor with the touch of a button

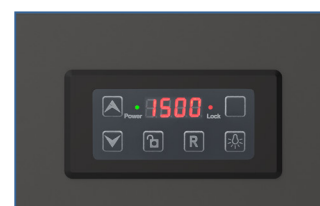

INTEGRATED SHELF

Store everyday items, such as a digital pen, mouse or laser pointer on the 963 x 99mm (37.9" x 3.9") integrated shelf

UNIVERSAL RECEPTACLE

The universal socket on the rear of the cart provides easy-access power for the display

SAFE AND EASY MANOEUVRABILITY
3" (76mm) swivel casters with locking brakes

Integrated digital controls at the rear of the trolley

RoHS

FC

Complies with the ADA
Standards for Accessible
Design, Section 308.
