INSTRUCTIONS FOR USE

1 Lower the volume on your audio device.
2 Gently put headphones on your ears.
3 Gradually raise the volume to a comfortable level.
4 In order to block outside noise, position the headphones so they form a seal inside your ear.

ON EAR VOLUME CONTROLS

1 Gently rotate on-ear volume control wheel to raise and lower volume

---

MICROPHONE FUNCTIONS (QUICK MUTE)

1 Flip boom mic up or down to quickly mute and unmute sound.

REVERSE HEADBAND

Easily reverse the stretch fabric headband to choose between a multi-color or black option.

1 Using the velcro attachment, remove headband completely by pulling through slot on left or right side. Flip headband over to desired color and re-insert. Re-attach velcro to desired comfort-fit.

Color option 1 — Adjustable velcro attachment

Color option 2 — Adjustable velcro attachment

SPATIAL AUDIO COMPATIBLE - IMMERSIVE SURROUND SOUND

Spatial audio brings theater-like sound from gaming or watching movies, so that sound seems like it's coming from all around you. No special adjustments are needed. JLab Nightfall Gaming Headphones are optimized to receive media mixed in spatial audio format.

CAUTIONS

• Avoid getting moisture or liquids on the headphone cups.

• Avoid extreme heat, cold, and humidity.

• Avoid dropping or crushing headphones, stressing the cable by rapid pulling or extreme force, or bending the cable at a sharp angle.

• We recommend you treat your headphones as you would a nice pair of sunglasses and keep them in safe location when not in use.
