Disney+

Awarded the 4K HDR Ultra HD logo, all our 4K HDR TVs have been proven to deliver and faithfully display 4K HDR content in all its glory.

Simplifies the expansion of the surround sound listening by providing primarily the perception of height channels, without requiring additional speakers. DTS achieves 3D surrounding sounds natively without sound conversion process from 2D to 3D.

## DISPLAY

|                         |                          |
|-------------------------|--------------------------|
| Screen Size (inch / cm) | 55" / 139cm              |
| Panel Type              | Direct Back Light (DLED) |
| Resolution              | Ultra HD (3840 x 2160)   |
| Brightness              | 300                      |

## SOUND

|                          |                                           |
|--------------------------|-------------------------------------------|
| Dolby Audio™             | Yes                                       |
| Audio Output Power (RMS) | 2x10W                                     |
| Speaker Type             | Down Firing                               |
| Internal Subwoofer       | No                                        |
| Sound Modes              | Music, Movie, Speech, Classic, Flat, User |
| DTS                      | Yes                                       |
| Equalizer                | 5 band                                    |
| Onkyo                    | Yes                                       |
| Ger (D) + Nicam Stereo   | Yes                                       |

## ACCESSORIES

|                        |                    |
