# Work in the Most Suitable Position & Environment

MSI Eye Care: Anti-Flicker + Less Blue Light Technology Display

MSI EYE CARE TECHNOLOGY

MONITOR WITH FLICKER

BLUELIGHT FILTER OFF

# Touch This World With Unlimited Opportunity

Intuitively clicking on what you need with your fingers, the PRO AP222T Series is equipped with in-cell touch technology that provides more flexibility and multiple uses.

# Built-in Webcam with Webcam Cover

*msi*

You can cover the webcam anytime to prevent any concern you have, such as temporarily leaving during an online meeting and ensuring you connect to the world safely.

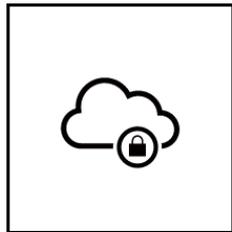

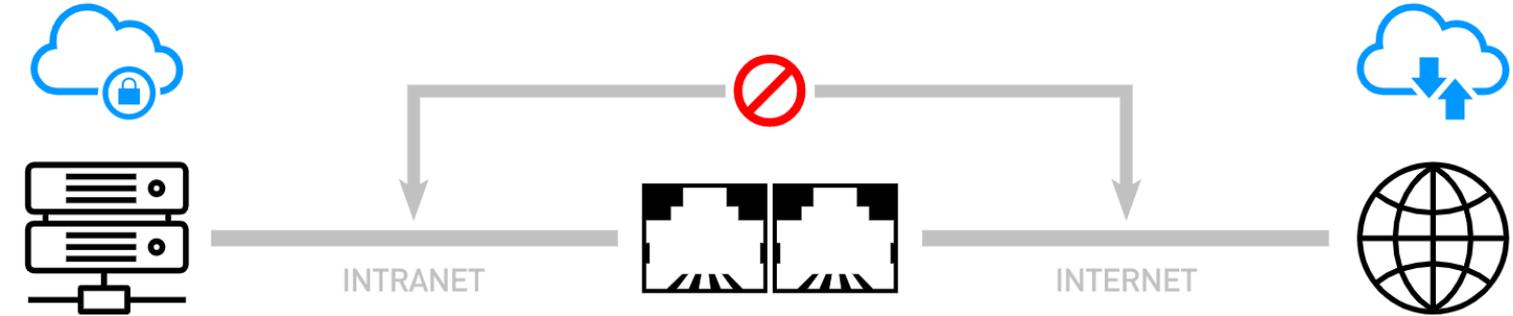

# HW TPM 2.0 Support

dTPM 2.0 (Trusted Platform Module) technology is designed to provide hardware-based, security-related functions. You can store your sensitive data & passwords by encryption keys for advanced security.

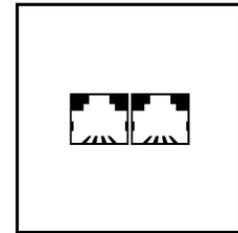

# Dual LAN

Private Cloud

More than Dual LAN, the best way to secure your data and prevent the hacker (with MSI exclusive BIOS). With the Dual LAN Design, the PRO AP222 Series will always be your backup if one of the internet was down and can also support the Internet/Intranet dual network environments.

Dual LAN

# Limitless Wireless Connection

MSI Cloud Center + Wifi

*msi*

Fast, secure, and wireless backup & download between your PC and mobile devices. Transfer files, photos, videos, and more between your PC, Android, and iOS devices faster and easier than a cabled connection. You can make these files accessible to your family or team members, or you can also make files as private as you want. The decision is in your hands.

# A PC But Also A Monitor

Thanks to MSI's Instant Display Technology, the PRO AP222T series can also be used as a monitor without booting up its system. So no matter your laptop or desktop, connect it with the PRO AP222T through the HDMI-in port, then you can get a monitor.

HDMI-IN

# Extend a second display to see more and do more

With HDMI-out support, users are able to extend a second monitor for multi-tasking and enhance their productivity.

## HDMI-OUT

# Easy Maintenance Design

*msi*

With the HDD Rapid Upgrade Design, maintaining or upgrading your 2.5" storage on PRO AP222T will not be a nightmare any more.

# I/O Ports

- 1. 1x Card Reader
- 2. 1x USB 3.2 Gen 1 Type A
- 3. 1x USB 3.2 Gen 1 Type C

- 4. 1x HDMI-in
- 5. 1x HDMI-out
- 6. 1x COM Port
- 7. 2x RJ45
- 8. 2x USB 2.0 Type A

- 9. 1x Mic-in
- 10. 1x Line-out
- 11. 2x USB 3.2 Gen 2 Type A

# Be More Organize and Efficient

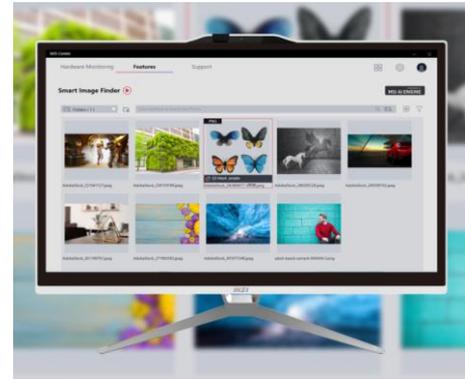

## Immerse in sound

Immerse listeners in lossless music and premium sound quality with DTS Audio Processing. Experience and listen to natural-sounding audio, music, videos, and more as intended

## A Better Viewing Experience

IPS panel instantly optimized the screen color and brightness to ensure that you enjoy every detail at its best.

## Customizable MSI Center

MSI Center helps to prioritize & allocate the resource on your hand to accelerate the performance of the software which you work with every day.

# Be More Organize and Efficient

## Backup With Side Card Reader

Sharing & backing up your photos intuitively through the pre-installed side card reader on the PRO AP222T All-in-one PC.

## Mount with Standard VESA Mount Design

No problem for the retailer to set it as a billing machine or mount it on the wall to be a digital menu board.

## Anti-theft Kensington Security Slot

With the Kensington lock used, it will keep your PRO AP222T safe even if it is not at your side.
