ACCSH200

Single AV Wall Shelf with Glass
## for AV Components

People gravitate toward flat panel displays for their aesthetics but once mounted the question of where to place the audio visual components becomes troubling. This AV Wall Shelf provides an elegant solution. The modern, sleek glass shelving blends in with the décor of a room enhancing the image so carefully cultivated by the consumer. Its ability to organize and center AV components directly above or below the display transforms any room by creating a trendy ambiance.
