Crystal Palace Folio For Apple iPad Air 11-inch

ZAGG Crystal Palace Folio 27.9 cm (11") Transparent:

Crystal Palace with Folio shows off the sleek lines of your iPad while providing 6.5 feet of drop protection. Its anti-scratch, anti-yellowing features keep the case looking clean and pristine. The folio cover protects your screen when it's not in use, and folds back to form a stand, perfect for watching videos, reading, or video chatting. Crystal Palace with Folio is made with graphene, one of the strongest materials in the world. Graphene is unbelievably thin, flexible, and heat conductive, so it preserves the slim, lightweight case design while reinforcing drop protection. Crystal Palace with Folio is made with up to 56% recycled content. So, the strong, sleek choice in case protection is also the responsible one. Protect your iPad from everyday hazards, as well as the contents of your bag, and feel confident taking it with you everywhere.
