Zone Wireless UC

Logitech Zone Wireless UC:

Open workspaces are great for collaboration, but they can also be noisy. Take control of your acoustic environment with Logitech Zone Wireless, the wireless headset specifically designed to enhance focus and productivity in busy workspaces. Connect Zone Wireless to your smartphone and computer and seamlessly switch between connected devices to experience on-ear amazingness between your ears: great for conference calls, immersive for listening to music, and active noise cancellation for when you just want to concentrate. With all-day comfort, simple controls and wireless Qi charging, Logitech Zone Wireless helps you define your workplace soundscape and get stuff done.
