

Gradient Light Bars

Bring dynamic lighting to your home with the WiZ Gradient Light Bars (2 included). Enjoy RGBIC technology for multi-colour displays. Position them horizontally, vertically or behind your TV to create the perfect ambience. Pre-set modes let you switch among dynamic, static or customisable light modes. You can even have the lights pulse to music, or sync with your TV screen (HDMI Sync Box needed).

PRODUCT HIGHLIGHTS

- Multiple colours all at once
- Multiple placement options
- Sync with TV (Sync Box needed)

Control with any Matter smart home platform

This product is Matter-certified, allowing easy control through Google Home, Amazon Alexa, Apple Home or any other Matter-based smart home platform of your choice.

Use it how and where you like

Place our Gradient Light Bars horizontally or vertically on a TV cabinet or desk, or mount them behind your TV/monitor using the magnetic back brackets. With a 100° rotation, you can spread the lighting effects to create the perfect atmosphere.

Millions of colours and changing light modes to make your day

Choose any light colour you like or simply apply a dynamic light mode that we've designed for you. Fireplace or Ocean, for example, will help you create an amazing atmosphere and lift your mood.

Sync lights to music

Dive into the rhythm with our Music Sync feature. Effortlessly synchronise your lights to your favorite tunes. Just remember, keep your mobile device near the speaker for perfect harmony between sound and light.

Immersive surround-lighting

Sync your lights with music and video using the HDMI Sync Box to enhance your entertainment experience. Perfect for films and gaming, the Sync feature creates a truly immersive, cinema-like atmosphere that brings your content to life.

Static and dynamic light modes to lift your mood

Choose from millions of colours or from the set of light modes we've designed for you. With so many options, you can bring the magic to all your holidays, parties, intimate get-togethers and daily vibes!
