

PowerCore III Elite 25600 100W

Huge Charging Power

High-speed charging for phones, tablets and USB-C notebooks. Boasts USB-C (87W) and USB ports (18W).

Colossal Capacity

25600mAh of power charges most phones over 7 times, tablets at least 2 times or notebooks at least once.

Recharge 3x Faster

Time for a full recharge is reduced to 2.5 hours thanks to Power Delivery input (100W).
