It takes two

Double up with the Ravius 2-in-1 Gaming Set, featuring a comfortable over-ear headset and illuminated gaming mouse with adjustable DPI. Who's ready to game? You're ready to game.

Hear, hear

The headset's 40mm drivers deliver clear sound and rich bass, while a foldaway microphone with inline volume control and microphone mute ensure you're heard – or not.

The comfort zone

The headset's soft over-ear pads and adjustable headband keep your head primed for hours of gameplay, while the mouse's rubberised top cover ensure your grip is firm and ready for action.

Light speed

A speed-select button (600-4800 DPI) makes accuracy a sure thing, plus a 1m fixed cable – with extensions for PC gamers – offer better freedom of movement. Oh, did we mention the mouse is illuminated?
