Flat Panel Ceiling Mount Kit 1m Modular Series Ceiling Kit for up to 75" displays

Peerless MOD-FPSKIT100-CPF signage display mount 190.5 cm (75") Black, Chrome:

Peerless-AV constantly strives to improve the versatility and ease of use of our products, and having listened to the feedback from installers and integrators it is apparent that the market requires a product range that can fulfil multiple requirements from a limited number of SKUs. Thus the Modular Series has been introduced as a universal ceiling mount solution with just over a dozen components in the range, allowing the professional installer to configure their own bespoke flat panel or projector mounting solution. The MOD-FPSKIT100 comes with all of the components required to ceiling mount a single 32-75" flat panel display. However, being composed of Modular components the mount can be expanded or changed as required.
