

Hive Active Light™

A dimmable smart LED light bulb you can control, wherever you are

Product overview

- Dimmable, with no flicker smart light bulbs, you control from your mobile, tablet and laptop, anytime and anywhere.
- Wide 240° beam angle – reduces shadowing.
- 9W, 2700K warm white.
- 25,000 hours of lamp life to L70.
- Helps save energy by letting you turn your lights on and off from your mobile, tablet or laptop.
- Use the app to set schedules and dimming levels so your lights switch on and off or dim even when you're not at home.
- Easy to install, simply replaces your existing light bulb. Just pair with the Hive Hub and add your smart bulbs on the Hive app.

What you'll need

- The Hive Hub.
- For the Hive app you'll need an Apple iPhone or iPad (iOS 7 or later) or a device running Android (min 4.0.3).
- Laptop or tablet with internet access and an up-to-date web browser (we recommend minimum: Internet Explorer 10 or the latest versions of Google Chrome, Firefox and Safari).
- Hive is a British Gas innovation, but you don't need to be a British Gas customer to buy the Hive products.

Box contains

- Hive Active Light™ bulb
- User guide
