Organizations today requires smooth hybrid collaboration and flexibility, especially when it comes to team meetings in huddle rooms, and this is exactly what Barco ClickShare CX-20 provides. Encouraging creative innovation through seamless wireless conferencing, ClickShare CX-20 makes hybrid collaboration flow with one click..

Find out what's new in the latest ClickShare update

Start a huddle meeting from your device

ClickShare CX-20 brings seamless one-click wireless conferencing. It's easier than ever to start hybrid huddle meetings from your device. With our agnostic wireless room system, you start a hybrid huddle meeting from your laptop, using your preferred conference tool, in less than seven seconds. Walk in, connect automatically to room devices like cameras, mics, speakers, sound bars, saving time and maximizing efficiency. Make hybrid collaboration flow with only one click. For employees and guests.

Decide how you want to collaborate

ClickShare CX-20 provides you with exceptional flexibility and choice, enabling you to decide just how you want to collaborate. Plug & play with the ClickShare Button and choose for smart, intent-based meeting flows powered by the App to make your meetings intuitive and interactive. Both facilitate a user experience that's both straightforward and consistent. Enjoy useful features like local view of the room display and calendar integration.

ClickShare CX-20 is also tech-agnostic and fully compatible with your conferencing platform (UC) technology and a wide range of USB-peripherals. Additional features such as local view of the room display help you to optimize your one-click meeting experience.

Better hybrid meetings? Yes! With smart, intuitive meeting flows in the ClickShare App

Smart intent-based meeting flows make your meeting experience stress-free. Walk into the room, you immediately see if the room is available or booked. Automatically connect to the meeting room (PresentSense ultrasound proximity detection) or plug in a Button. ClickShare guides you as a host or participant (HostFlow). Start the meeting from your personal calendar with a single click (One-Click-Join).

Share your presentation, keep track of remote participant's video, side by side (ConferenceView). Share full screen or application window, while keeping your laptop screen private for note taking. When you end the call, the meeting room becomes a digital signage display.

Enhanced security and seamless integration

A set of IT friendly features makes ClickShare Conference a perfect fit to any enterprise environment. ClickShare Conference, excelling in enhanced security, seamlessly integrates in any IT- network. With the XMS (Cloud) Management Platform you enjoy easy management of units, intuitive user experiences and clear analytics to drive your digital workplace.

For practical questions on network deployment of the ClickShare Conference range, check our technical support or get in touch with your Barco contact.

You can have ClickShare in your meeting rooms without delay, thanks to strong inventory levels for all models.
