

SureColor T7700DM

Multi-function printer

DATASHEET / BROCHURE

Highly secure and compact MPF with excellent scanning capabilities. 36-inch Dual light CIS scanner with 8GB memory.

The SureColor T7700DM is a fully integrated multi-function solution with high quality scanning and smart features.

This MFP offers a compact design with flat top and back plus shallow depth, with automatic media loading and simplified scanning workflow (easy-to-feed document and select scan to locations). For more complex jobs it comes with Adobe PostScript as standard.

The SureColor T7700DM delivers a comprehensive office solution in one convenient, compact and easy to use package.

Space saving design

Designed to deliver on demand printing, with expanded memory for all printing and scanning needs. Scan important, time sensitive projects as encrypted files to multiple destinations quickly, easily and securely.

Multi-function

Scan at up to 10 IPS and simultaneously save to a wide range of preferred locations including the onboard self encrypting 960GB SSD, network and folders. Copy and enlarge originals by 25 to 755%. Print files in high quality and vivid colours with the Epson PrecisionCore printhead and 6 colour XD3 inks including Red (found in all Tx700 models).

Enhanced IT

Manage your files more efficiently, through central management tracking applications: Epson Cloud Solutions PORT and Epson Device Admin or 3rd Party solutions (ISV).

KEY FEATURES

- **High productivity**
Fast, versatile and secure printing from PC, mobile, USB and 960GB SSD
- **Enhanced security features**
Protect highly confidential documents with ease
- **Versatility**
Automatic media loading and dual roll capabilities
- **PC & Mobile print and scan solution**
Document Capture Pro (PC) Epson Scan 2 (PC) & Epson Smart Panel & more
