- Easy to install, safe to use
- Powerful, reliable performance
- Get year-round use
- Enjoy a comfortable breeze
- Convenient timers

Ambient light effect

- Bright yet comfortable ceiling light

Premium quality

- Quiet motor

Highlights

Retractable ceiling fan with transparent blades

Say goodbye to spinning shadows on the ceiling: this fan has transparent blades that can be folded into the light and out of sight when not in use.

Easy to install, safe to use

The Philips LED retractable ceiling fan light has passed strict safety testing and includes drop-resistant screws and a sturdy design alongside other important safety features.

Powerful, reliable performance

The Philips LED ceiling fan light is designed to ensure powerful air circulation and continued reliability over time. Its wide blade design allows a large coverage of air volume to ensure maximum airflow for cooling.

Get year-round use

With operation modes for both summer and winter, you'll get the best settings to circulate the air in your space all year round.

Enjoy a comfortable breeze

Bring an island breeze to any room of your house with the Natural Breeze function, which offers dynamic speed settings for the fan.

Convenient timers

Choose from two different timers that turn off your light after a certain amount of time – and set them with the remote control.

Bright yet comfortable ceiling light

The Philips LED ceiling fan light offers powerfully bright – yet comfortable – light for your home, which you can control with the included remote control or a wall switch.

Quiet motor

The Philips LED ceiling fan light offers a quiet motor, circulating the air in the room without loud noise.
